

**CALERA PARK AND RECREATION BOARD
MINUTES AND MEETING
December 12, 2011
CALERA CITY HALL**

MEMBERS PRESENT:

Bill Davis (Chairman), Candace Roberson, Mike Roberson, Ken Mobley, Hank Lucas, Robert Wade, Andy Gill

OTHERS PRESENT:

Barbara Gray

Bill Davis called the meeting to order and the minutes were read by all, a motion approve by Hank Lucas with a second by Ken Mobley.

Stevie Edwards was not present, so Chairman, Bill Davis presented the attached park report and went over each item.

The Alabama Knights also presented a request to use the softball/baseball fields. This is an adult league. Hank Lucas requested that Bill Davis get with Stevie Edwards and find out more information about this request before making a decision.

Other Business:

Ken Mobley brought to our attention the fields at Shelby Academy for possibly softball/baseball city league and city league football. It was discussed that after the middle school completes their practice time each afternoon, maybe some of our city league groups could use those fields temporarily, until the new park is completed.

Mike Roberson brought up new bids for park events. We have discussed in the past, hosting different types of events in our parks that would bring people from other areas, causing them to stay in our hotels and eat in our restuarants. Mike talked about not being able to do this until a complete date is in site. We cannot take bids for events, if we are not completely ready.

**Andy Gill made a motion to adjourn, with a 2nd by Robert Wade.
Next meeting, Monday, February 13, 2012**
