

CITY OF CALERA
Parks and Recreation Board
Minutes
February 10, 2014

The meeting was called to order by Bill Davis at 6:05 p.m.

In attendance this night representing the Board were Chairman Bill Davis, Ken Mobley, Councilman Philip Busby, Clay Wood, and Jeremy Armstrong. Representing the Parks and Recreation Department was Seth Gandy, Department Head. Board members Andy Gill, Vickie McGiboney, and Greg Haynes were absent.

Minutes from the January 13, 2014 meeting were read by all. Philip Busby made a motion to approve the minutes from that meeting and the motion was seconded by Ken Mobley. The motion was voted on and passed unanimously.

Park Director Seth Gandy gave an update on the progress of the sports complex. Progress is being made despite some poor weather.

Also noted was that the batting cage was still in need of a metal roof.

A new age policy was enacted in the Youth Football League. There will not be any 12 year olds registered. At that point, they should enroll in the Middle School team. Also mentioned was that 5 year olds can play, but they will be playing with 6 and 7 year olds.

It was mentioned that Calera Youth Baseball was down around 75 kids or so-probably due to the increased popularity of Travel Ball.

Ken Mobley made a motion to adjourn and Clay Wood seconded. The motion was voted on and passed unanimously.
